

THE CITY OF PLANO

Certificate of Commendation

PRESENTED TO

2020 Census Complete Count Committee

The first U. S. Census was conducted in 1790 and counted 13 states and four districts. The Plano City Council established the Plano Census Complete Count Committee (CCC) in 2019, composed of 30 members. The CCC is gathering the necessary census information this year. The Census platform for 2020 is "Shape your future.

START HERE" and is incorporated into all awareness materials to guide and support the efforts of states, communities and nonprofit organizations as they work to collect statistics.
